

The Hall-Dale High School Music Department presents their

10th Annual HDHS Fine Arts & Craft Fair!

9:00 to 3:00, Saturday, October 27, 2018

Visit us on the web at halldalecraftfair.com

We are a positive, energized and dedicated show that is committed to great service and strong advertising. To ensure quality we are a juried event and only accept Maine Made products. For the past three years we had over 1,200 shoppers through our doors. Every penny we raise goes directly to the music students and their music trip at years end.

To accommodate more artisans in this one space we are offer different booth sizes (see below). Only one artist is allowed per space (unless you clear it with us in advance). Returning artists can choose their original spot or request a new location. Care will be taken to not put displays of the same art medium near each other and categories will close out when the correct amount of qualified crafters have registered.

Booth Size (deep/width)	Location	# of spaces	Electricity	Cost
A. 8' /10'	Gym Floor	34	some	\$65
B. 7'/10'	Inner strip, gym floor	12	no	\$65
C. 8'/8'	Stage	11	yes	\$65
D. 3'/10'	Hallway	18	o	\$45

We have awesome student help! Our student help is hard to beat. The music students will welcome you when you arrive, assist you as you unload, check in on you throughout the day and help you load your car as you prepare to leave. They will also run a complimentary craft room for children so that parents can shop free of stress. They are smiley, helpful and wonderful kids!

We will **promote the show** with radio spots, multiple road signs, brochures, posters, event flyers, newspaper announcements, a large downtown banner that hangs over Water Street in Hallowell, on our website and through face-book. There will also be many road-signs placed the morning of the show.
